NOTIFICATION OF NEW ENTITLEMENT APPLICATIONS - EARLY NOTIFICATION REPORT

To: Business Improvement District (BID) Contacts

From: Haydee Urita-Lopez, BID Liaison

Subject: LA City Planning BID Case report

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn.

Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact Haydee Urita_Lopez at [\(213\) 978-1162](tel:2139781162) or Haydee.Urita-Lopez@lacity.org.
